

EastWest Transpersonal

TRAINING SCHOOL

Welcome to Training West!

Dear friends, dear students, dear interested!

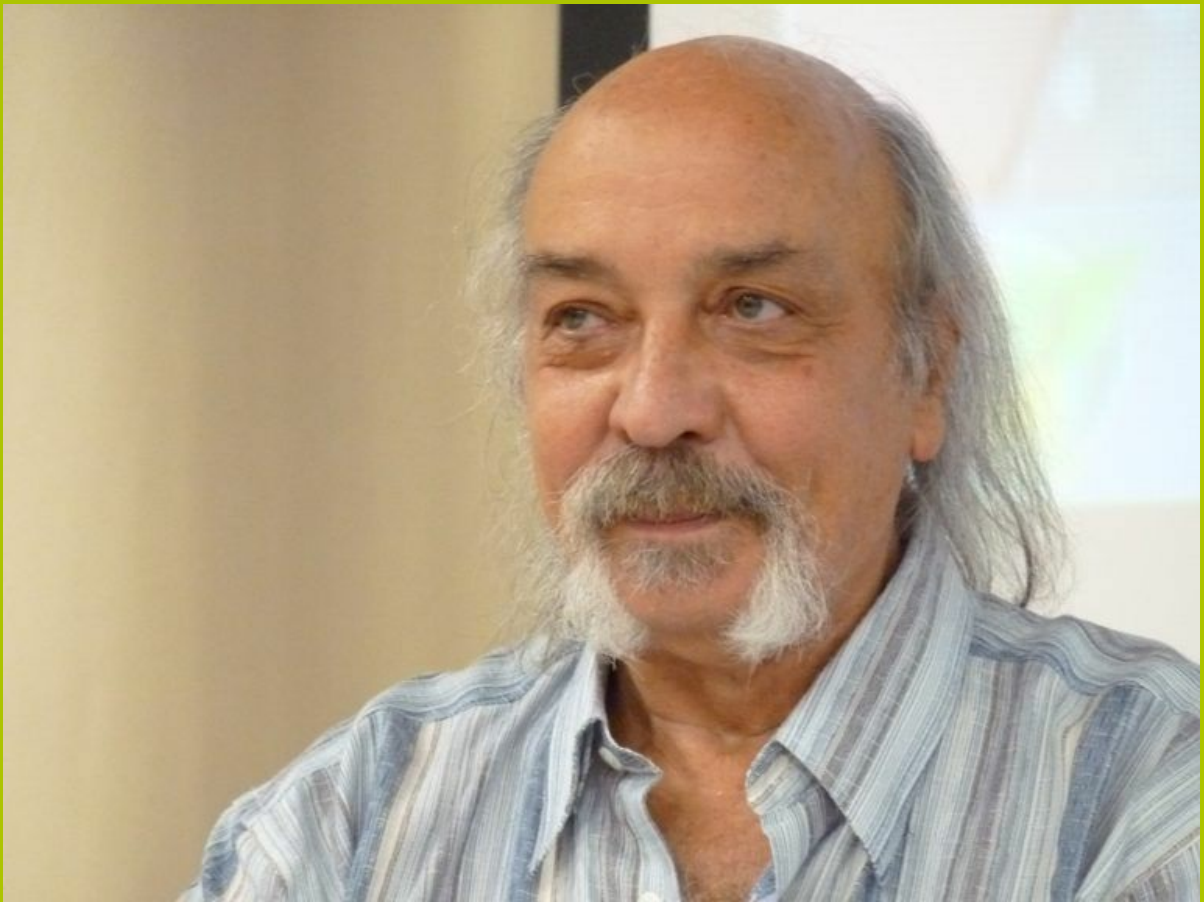

In a few days we will see us in our first weekly lecture.

After the "Hero's Journey" on 6th of February, 7pm CET, Prof. Jure Biechonski from Estonia will give the next lectures about "mainstream" psychology. So you will have a good basis for your training.

We are happy to have him in our team again and that he agreed to teach students from the west as well as those from the east.

We are a small very international group with different energies and emotional colours coming together! We will give you individual support! 😊

Practice

The first intensive with Grof Breathwork and Integrative Techniques will be from the the **29th of February to the 3rd of March 2024** in Germany. The venue is an old black forest house. Kati Wortelkamp from Germany and Lyudmila Skartsesku from Moldova, the two heads of the EastWest Transpersonal Training School, will lead this seminar.

We are open for guests, but we have only 2 places left. The seminar in February for guests is 300 €, from April on the seminars will cost 370 € for guests. For students the seminars are included in their module costs. We will have Tamara, who will buy the food for us and cook. Accomodation and food will be around 160 € for the seminar.

Also the next intensives in 2024 will be in Todtmoos in Germany, because it was too difficult to organize something in Italy. But in the next year we want to go to Italy, too.

Attention: Because there were only some free dates left in the seminarhouse, the intensive in September is postponed to the 12.-15. September 2024.
